

Tri-Deltas Mark 67th Year

Two events this week made a busy schedule for local Tri Deltas with their South Bay Alliance monthly meeting last evening at 8 p.m., at the Redondo Beach home of Mrs. Pauline Lindsay and a Founder's Day luncheon at the Sportsmen's Lodge in San Fernando Valley on Sunday.

Under discussion at the monthly meeting were plans for the alliance Christmas party which will be held on Dec. 16, at the Jamaica Inn in Hollywood Riviera. Dessert followed the business portion of the meeting with Mrs. Norman Jacot serving as hostess with Mrs. Musselman.

According to Mrs. James Collee, president, local Tri Deltas gather Sunday, Nov. 13 with alumnae of the Southern California Council, presided at the luncheon.

A personal shower honoring Miss Sharon Hurley, bride-elect of Larry Christoffersen, was given by Miss Ann Freas at her home, 5320 Clearside Ave., last Tuesday evening.

Ralph Freas, Leon Hurley and Frank B. Hodgson.

HOLY NAME UNIT TO HEAR SPEAKER

Main feature of the program at a breakfast to be presented by the Holy Name Society next Sunday, Nov. 13, will be the Carrollton Club speakers.

This organization commemorates the memory of Charles Carroll, prominent Catholic patriot who was one of the original signers of the Declaration of Independence. Activities of the Carrollton Club are similar to those of a Toastmaster group except that their discussion topics center on the various aspects of Catholic beliefs and customs.

The breakfast will be served in the Parish Hall immediately following the 8 o'clock Mass. It is not restricted to Holy Name Society members only but to all men and boys of the Holy Name Parish are invited to attend.

All-Time Favorite, Spritz Cookie, Timely for Holidays

Getting a head start in preparing Christmas goodies is the aim of Mrs. Sid Gans of 1011 Kornblum Ave., who is passing along to HERALD readers her favorite recipe for Christmas cookies of which she has received numerous requests.

Named Spritz Cookies, they can be fashioned into any shape desired like canes, stars or tree designs. Also, these cookies can be decorated with red and green sugar before being placed into the oven. The cookies can be made well in advance of the holidays and seem to improve with age. They keep especially well if made with butter and stored in tight containers. Likewise, they are easily prepared for shipping.

Our contributor this week is a four year resident of Torrance and is active in the Junior Women's Club, Kornblum Sewing Circle and a member of the First Methodist Church choir. She has one daughter, Peggy, 3.

SPRITZ COOKIES

- 2 cups (1 lb.) butter
- 4 tps. almond flavoring
- or margarine
- 4 1/2 cups unsifted flour
- 2 cups granulated sugar
- (No soda, no baking powder or salt required.)
- 1 egg slightly beaten

Soften butter or margarine with spoon or mixer. Blend in sugar all at once. Mix well. Add beaten egg to butter-sugar mixture. Add almond flavoring, four teaspoons. Blend well.

Then sift the unsifted, but measured flour gradually into the above mixture. At the last, it will be necessary to use your hands.

Force short lengths of dough through a cookie press (use small designs) and bake on ungreased cookie sheet in 350 degree oven for 15 minutes or until a light golden brown. Makes 350 small Spritz cookies.

Y Girls Camp Given Grant

"Word has just been received that Camp Tahquitz Meadows, the YWCA camp, has received a grant of \$18,000 from the Mirror-News Charities." Mrs. Larry Lightner, chairman of the YWCA Camping Council of Southern California which operates the camp said.

The swimming pool and shower house gift was voted by the charities board to fill a severe need at the mountain camp which has been operating with inadequate swimming facilities.

Mrs. Lightner, who is also a member of the Harbor District YWCA went on to state that more than 600 girls of all races and income levels are accommodated at the camp. Construction will be completed in time for the camp to open next summer.

The camp is jointly owned and operated by eight Southern California YWCAs. They are: San Pedro, Santa Monica, Los Angeles, Santa Ana, Ventura, San Bernardino, Long Beach, and Pasadena.

This year, according to Mrs. Lightner, the camp has had its best year since formation in 1950. Camping was enjoyed 808 weeks by girls who would not have otherwise been able to enjoy camping. Forty of these girls were from the harbor district.

Their camping experiences were made possible by the Torrance Junior Women's Club and a metropolitan paper.
